#### REPHIDIM DOCTRINAL BIBLE STUDIES, INC.

Rephidim Doctrinal Bible Studies, Inc. (RDBS) is a nonprofit church organization which is established to publish Bible Doctrinal information taught in Rephidim Church, Inc., 4430 Allendale Rd., Wichita Falls, Texas. Bible Doctrine is made available through Face to Face Communication. Related printed materials and tape recordings of the Bible Class sessions taught in the local church assembly are available.

#### FINANCIAL POLICY

No price is placed on any RDBS materials by reason of the fact that this is a grace ministry, dependent entirely upon the freewill offerings of believer-priests who receive publications and tapes and who are interested in the expansion of the "open doors of communication" of this ministry. To place a price on these materials and/or ask for funds is incompatible with Grace.

NO MONEY IS REQUESTED. Therefore, no price list for tapes or publications will be furnished. When the Lord motivates a believer, that individual is free to give. When any believer, regardless of financial status, is positive toward doctrine, he has the privilege of receiving the teaching of the Word of God! This is GRACE!

#### CASSETTE TAPE LOAN POLICY FOR LOCAL BELIEVERS

Cassette tapes from Rephidim Doctrinal Bible Studies, Inc. are for LOAN ONLY! Tapes are available on a grace basis to those individuals who are positive to the presentation of systematic, tandem teaching of the Scriptures through Isagogics, Categorization and Exegesis of the original languages (ICE), in the local assembly of Rephidim Church, Wichita Falls, Texas.

Tapes and printed materials are not intended as a substitute for FACE TO FACE TEACHING, but only a supplement. These materials are made available to aid in review of past lessons and/or staying current when absence is necessary. When tapes are borrowed, the individual borrowing the tapes is responsible for returning those tapes in a timely manner, regardless of their condition. The earliest possible return of the tapes will assist in making available a ready supply of tapes for use by others.

EACH LOCAL INDIVIDUAL IS LIMITED TO SEVENTEEN (17) TAPES CHECKED OUT AT ANY ONE TIME. Hardship cases, vacations, business trips, etc., will be considered on an individual basis by the Director of Rephidim Doctrinal Bible Studies, Inc.

#### CASSETTE TAPE LOAN POLICY FOR MAIL-OUT ORDERS

Cassette tapes from RDBS are for *LOAN ONLY*. Tapes are to be mailed out on a rotating basis. Seventeen (17) tapes will be mailed in the initial order, then a second set of Seventeen (17) will be mailed approximately two (2) weeks later. AFTER THE SECOND SET OF SEVENTEEN (17) TAPES ARE MAILED, THERE WILL BE NO MORE TAPES MAILED UNTIL THE FIRST SET OF SEVENTEEN (17) IS RETURNED.

#### REPHIDIM LOCAL ASSEMBLY COMMUNICATION POLICY

The Bible Class sessions which are taped in Rephidim Church are conducted under principles of maximum academic discipline. Information from the Word of God is communicated in monologue from the pulpit by the Pastor-Teacher. This doctrine is taught and presented by means of the EXEGETICAL (documentation from the original languages), CATEGORICAL (comparison of subjects as discussed in all parts of the Bible), and ISAGOGICAL (interpretation of the passage in light of its historical setting at the time of writing) method of communication. This method is known as ICE teaching.

The pulpit of Rephidim Church does not engage in theatrical tactics. Its thrust is strictly to make Bible Doctrine available to Believers in the Lord Jesus Christ to the end that the Bible Doctrine resident in their souls will become their motivation and guide; to the end that each believer might become spiritually mature, i.e., "...until we all attain the goal in the unity of faith, and the knowledge of the Son of God unto a mature man, unto the standard of the stature of the fullness of Christ." (Ephesians 4:13) From the Biblical perspective, the Local Church is the Divinely established CLASSROOM for learning the Plan of God; the Bible is the TEXTBOOK; the Pastor-Teacher is the PROFESSOR. Therefore, the issue in the Local Church is the study of and learning of Bible Doctrine. Further, no special classess are offered for particular groups such as "youth" age individuals. Rather, everyone over the age of 6 years or first grade in school attends Bible Class together in the assembly auditorium.

#### **PASTOR-TEACHER**

A graduate of Wayland University with a B.A. Degree, majoring in Biblical Studies, Dr. Killingsworth studied at Midwestern Theological Seminary, Kansas City, Missouri, and the University of Oklahoma, Norman, Oklahoma, before completing the work on his Master of Divinity Degree at Luther Rice Seminary International, Jacksonville, Florida. In 1979 he completed his work on the Doctor of Ministry Degree at Luther Rice.

After pastoring churches in Texas, Oklahoma, and Missouri, he founded Rephidim Church of Wichita Falls, Texas, in 1971. During the formative years of Rephidim Church, he worked as a special officer for the Iowa Park, Texas, Police Department, graduating from the Nortex Regional Police Academy with the Basic Certificate from the Texas Commission on Law Enforcement Officer Standards and Education. Two years later he earned the Intermediate Certificate. Subsequently, he was appointed to Chief of Police by the Iowa Park City Council. Shortly thereafter he resigned in order to manage Great Southern Investigators, a private investigations company which he organized, owned and operated. Doctor Killingsworth has been the full-time Pastor-Teacher of Rephidim Church since 1974.

#### FACE TO FACE COMMUNICATION

- 1. THEOLOGICALLY, PRACTICALLY and MECHANICALLY "Face to Face" teaching of the Word of God is the highest and the best system for learning a maximum amount of Bible Doctrine in a minimum amount of time.
- a. THEOLOGICALLY: Along with all the related categories of Bible Doctrine, the Word states pointedly, "FORSAKE NOT THE ASSEMBLING OF YOURSELVES TOGETHER AS IS THE MANNER OF SOME." Hebrews 10:25
- b. PRACTICALLY: Apart from the "Face to Face" conditions, as a general rule, the academic discipline necessary to assimilate Bible Doctrine to the maximum quality and quantity is simply not present.
- c. MECHANICALLY: Under the Doctrine of Spiritual Gifts, the "body members" cannot and are not authorized to function standing apart from each other.
- 2. Therefore, the positive believer IN A REMOTE LOCATION away from the premises of REPHIDIM CHURCH, should seek out any available, Biblically sound, grace based, local "Face to Face" teaching in his area and GIVE IT A HEARING.
- 3. As one's own priest before God, each believer is responsible for determining if the Pastor-Teacher in his geographical area is his Right Pastor-Teacher (R/PT) (Phil 3:17) via the following tests:
  - a. R/PT is one for whom one can have respect, totally apart from his personality;
  - R/PT is one who takes his orders from the Word of God ONLY;

- c. R/PT is one who is constantly growing in the understanding and communication of the Word of God himself;
- d. R/PT is the one who from whom the Believer can learn the most Bible Doctrine in the least amount of time;
- e. R/PT will be ONE IN NUMBER.
- 4. The GREAT HAZARD at this point is to conclude, based on the above issues, that the Right Pastor-Teacher who the DISTANT TEACHER is one's Right Pastor-Teacher, rather than the LOCAL one, and then to do nothing about getting "face to face" with one's Right Teacher.
- 5. This factor becomes such a temptation because it is easier to sit at home and listen to a tape, the subject and timing of study being up to the individual personally, rather, than either moving to the location of the distant Right Pastor-Teacher, or, if one's Right Pastor-Teacher is local, then to attend the face to face teaching when scheduled by that Local Pastor-Teacher.
- 6. Once the believer has determined who is his/her Right Pastor-Teacher, this male believer with the Gift of Teacher and the responsibility of communication, BECOMES THE ONE DRUMMER BY WHICH THAT BELIEVER MARCHES FOR LIFE:
  - a. All other drummers will INEVITABLY introduce confusion and knock the believer out of stride. (Gal. 5)
  - b. Exception, a drummer which your Right Pastor-Teacher recommends on a TEMPORARY BASIS in order to take up the slack in his own growing studies and communication ministry.
- 7. If one cannot find a LOCAL CHURCH in his area in which he finds his LOCAL RIGHT PASTOR-TEACHER, then it is possible that Tapes and Publications from Rephidim Church, (Published by Rephidim Doctrinal Bible Studies, Inc.) will be the continuing highest and best which Grace is laying out for him, notwithstanding point #1.

#### **SCRATCH NOTES**

"Scratch Notes" are special notes which are available as an additional study aid to the taped Bible classes, beginning with Cassette Tape number H312. These special notes provide the listener with useful information which supplements the audio recording of the Bible class. These "Scratch Notes" are rough notes taken during Bible class, primarily including sketches of drawings and writing made on the overhead projector by the Pastor-Teacher during Bible Class. This provides the user with additional information which may be mentioned outside the printed class notes as well as visual information that is made available on the overhead projection. Specific charts displayed during Bible class are also sketched in miniature keying the user as to which charts the Pastor-Teacher may be speaking of at any given point during the class. "Scratch Notes" should be distinguished from "Class Notes" in that the "Class Notes" are in outline form and have been prepared for each Bible class. The "Scratch Notes" reflect a rough summary of both verbal and visual communication that occur during any given Bible Class. Scratch Notes do not provide a primary source of communication, but they may make the communicated doctrine in Bible Class easier to follow and understand in non "face to face" circumstances.

#### RECOMMENDED COURSE OF STUDY

FIRST, listen and study the introductory basics listed above! SECOND, below is a recommended course of study for the student who desires to continue into advanced studies of the Word of God. This selection includes ELEVEN LESSONS which are critical for the believer's introduction into the systematic study of the whole realm of Bible Doctrine. THIS IS A LOT OF STUDY, BUT IT IS AN ABSOLUTE MUST IN ORDER TO REACH AN UNDERSTANDING OF THE ADVANCED DOCTRINE OF "THE LETTER TO THE HEBREWS" CURRENTLY BEING TAUGHT. THIRD, after finishing the "Nine Lesson" study, (listed on the following page) begin now with the first cassette tape of the Book of Ruth (#E44) and simply listen and study in their numerical order every tape up to the current 1997 teaching of The Letter to the Hebrews.
